

Introduction

We have tried to provide as much information as possible in the statement but if you have any questions please do contact us. Our three luxury cottages are converted from the original Stabling to our home Aish Cross House which is in the small hamlet of Aish situated 2.5 miles from the medieval town of Totnes and 1 mile from the village of Stoke Gabriel.

Specifically we would suggest our cottages are unsuitable for wheel chair users.

We look forward to welcoming you.

Pre-Arrival

We have a website (www.aishcross.co.uk) which provides information and photographs of the accommodation, tariff and local area. The nearest train station (Totnes) is 3 miles away; there are accessible taxis at the station.

Bookings can be made online, or by email, telephone or fax.

Arrival & Car Parking Facilities.

- Sufficient parking nearby the cottage.
- The parking area/driveway is gravel and level.
- Outside security lighting.
- The entrance to each cottage is clearly marked and is level with the driveway.
- Unless otherwise arranged the keys for the property can be collected from the owners in the main house.

Main Entrance

- The entrance is via the conservatory at the front of the cottage which has a small step (50mm threshold) via a single door (750mm wide).
- Inside the conservatory there are double doors (each 680mm wide) leading into the cottage living area.
- The conservatory has wicker furniture (2 seater settee, 2 chairs, and a small table). It has a slate tiled floor, and is lit by a 100 Watt bulk head light fitting.

Downstairs – WC

- Downstairs WC leading off the living area. Doorway is 750mm wide. Height of the toilet pan from floor to seat 400mm. Wash basin has clear space underneath (no pedestal) and is 760mm floor to basin height. Taps are hand twist. Well lit through a ceiling fitting. No grab rails. Flooring area has dark wood effect laminate flooring and white walls.

Dining Room and Lounge Area

- The dining room is open plan with the lounge and kitchen
- There is a rectangular table (1340mm x 900mm x 750mm high) with 4 armless chairs (floor to seat height 450mm).
- Flooring is dark wood effect laminate, with a large circular short pile rug and white walls.
- Furniture is moveable
- One double sofa and two easy chairs provided both armed (floor to seat cushion 450mm)
- The area is well lit with 6 dimmable double wall lights and one standard lamp.
- Digital TV is provided with remote control (also available are DVD, Stereo with CD, radio, tape, and iPod Docking Station.)
- Wood burning stove.

Staircase/Landing

- The staircase (width 900mm) has 12 treads with a right angle turn leading to the last two.
- Banisters on right and handrail on the left.
- Well-lit with a 6 light pendant fitting, and three down lighters.
- Carpet - short pile.
- Permanent fitted stairgate at the top of the stairs.
- Gallery balustrading on landing (900mm high)

Bedrooms

Main Bedroom

Second Bedroom

- All bedrooms are carpeted (short pile) and upstairs
- Main bedroom has a King size bed (floor to mattress height 600mm), a large floor length window protected with a low level fixed wrought iron safety screen (900mm high). Low level ceiling on one side of the room lit by 3 double wall lights and 2 bedside lamps
- The second bedroom has a superking size bed (floor to mattress height 700mm) which can also be made up into a two twin beds. Low level feature beams on one side of room. Low level window with horizontal safety bars. Lighting by 2 double wall lights and table lamp

Bathroom & WC

- Low level bath (height 400mm) with fixed shower over, and flexible attachment. Two grab rails and non slip base to bath.
- Vanity unit above the washbasin (height 840mm) with clear space under.
- WC floor to pan height 450mm.
- Door opening width 700mm.
- Flooring is tiled and heated, partial pitched ceiling causing some height restriction, and an opening conservation roof light.
- Lighting – 3 spot lights and one shaving light.

Kitchen

- The kitchen is open plan with the dining area & lounge.
- Oven below work surface with drop down door (300mm above floor level to a maximum of 900mm).
- Work surfaces are 900mm above floor level, and house a four burner electric hob.
- Dishwasher with a drop down door and a side opening fridge and freezer are all situated below the work surface

(300mm to 900mm height).

- Portable microwave, cordless kettle on the work surface.
- Storage units both above and below the work surface.
- Evenly lit with 3 down lighters.
- Well equipped with crockery, cutlery and glasses for 4 people.
- Flooring is slate
- Access to the kitchen area is level with a clear opening width of 900mm.
- Breakfast bar between lounge and kitchen area (900mm height), with two stools height (750mm)

Laundry

- Separate laundry room shared with the other holiday cottage guests and owners.
- Accessed up one small step (50mm) through coded double doors (550mm width each) with restricted access (750mm).
- Floor is tiled with a synthetic short pile carpet runner.
- Front loading washing machine and drier.
- Available to use after 13.00hrs
